Policy on the Use of Historical Society Photographs (Adopted February 2010)

The Green County Historical Society will make available for purchase photographs in its possession. The cost will depend on whether the purchaser is going to use it for personal use (i.e. display at home, personal gift), or for commercial use (publication, website, public display). This policy, for the most part, mirrors that used by the State Historical Society, but with lower fees. All photos will be either produced or supervised by the Historical Society and all proceeds will go into the endowment fund. Credit line for photos must be given to GCHS.

The chart below is what GCHS will charge:

Type of Photo	Fee	Commercial Use Surcharge	Reproduction/Mailing Costs
Photo (5x7)	\$20/\$10*	\$20/\$10*	\$7.50/\$4.00 (e-mail)
Digital (CD)	\$20/\$10*	\$20/\$10*	\$7.50/\$4.00 (e-mail)

*GCHS Lifetime member rate

Sales to other Wisconsin historical societies & non-profit organizations will be at the same rate charged to lifetime members, as shown above.

There will be a \$5.00 charge to anyone requesting a copy of a death certificate.
